**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I would be materially affected by any measure that would make competition unfair for small Internet providers. Small providers have better customer service, better privacy protection, and potentially faster and more reliable Internet. Please do not create a monopoly or duopoly in the ISP market. It's anti-trust and anti-American.

Thanks,
